GREETINGS FROM PIMENTEL

Christmas is on its way! Since we don't celebrate Thanksgiving in Peru, it's not so bad to see Christmas things in the store in early November. Here at the breakfast program we try to make sure that it is CHRISTmas. We have a celebration in December and always do a special Christmas party sharing about Christ. We give out hot chocolate and a special dinner for them with dessert. The kids love it so very much. We usually buy chicken legs (drum sticks) for them. We want to have some friends from Chiclayo do a special show for them. They come from 20 minutes away and sing and do some skits for the kids. Please pray for us as we start to get things going for this program.

The Christmas party will be on December 20th, so remember us on that day as we share the love of Christ and present the message of the Gospel in our community.

WELL UPDATE

I would love to be able to tell you that the well is installed and working great. However, that would not be the truth. It's hard to explain how things are done here, but some things go very, very slowly.

They have been redoing the electricity in our neighborhood since last September. It is still not done. In the mean time, there is not enough electricity to even run lights in some houses. Our pump will not operate properly so we are unable to use it. We have been told that we do not have the proper gauge of wire to run the pump and that we need to completely rerun the electrical connection for the pump. We have also been advised that we need to pump more water before it is usable. Right now, we are pumping a high percentage of minerals which leaves the water with a brine taste.

Keep praying with us that these issues get resolved soon and that we will be able to use the well for our ministry, and that it will be a testimony to the community of the goodness of God!

MY JUNGLE TRIP

It was such a blessing to be asked to teach at a leaders and pastors conference on the Amazon River. We traveled by boat with hammocks as beds. It took about 15 hours to get where we were going, but believe me, I would rather travel 15 hours by boat than to travel by plane or bus. You can see pictures on my Facebook page. <https://www.facebook.com/bill.lipman>

The people were very open to receiving us. The food was wonderful, but I am not sure what I ate all the time. It tasted great and was made with lots of love! Everything was caught fresh and cooked.

The church leaders attended the teaching meetings, but so did people from the village. One evening about 10 people received the Lord as their Savior. We had a baptism service in the Amazon River.

I was able to visit three communities and, Lord willing, would like to go back and visit again.

SO WHAT CAN YOU DO?

Jesus was very clear when He said, "Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal: But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal: For where your treasure is, there will your heart be also." Matthew 6:19-21.

- 1) Pray for the hearts of parents that more will come to know Jesus.
- 2) Pray for the children that they will have enough nutritious food for their health.
- 3) Pray for our church in Pimentel that it will be a light shining in darkness.
- 4) Give as God lays it on your heart to help meet the financial needs of Changed By Love.
