GUILLERMO (BILL) & BEATRIZ LIPMAN

GREETINGS FROM PIMENTEL

Hebrews 10:24-25 "And let us consider one another in order to stir up love and good works, not forsaking the assembling of ourselves together, as *is* the manner of some, but exhorting *one another*, and so much the more as you see the Day approaching."

I like this verse. It is so good for the church and for us here at Changed By Love. I pray that this new year 2015 we can all put it into practice for His Honor and Glory. So much has happened in 2014 and so much is waiting to happen in 2015. Just think of the blessings He has for us!

Here at Changed By Love we have seen baptisms and people receiving Christ as their Savior. I was blessed to be able to baptize in the Amazon River while teaching at a conference and churches.

We have seen how Changed By Love has helped people spiritually and also physically. One of the ladies was able to finally get electricity in her home and put in a cement floor. We have been able to provide other part time jobs that have helped people better their lives. It is showing how we as a church believe in helping, both physically and spiritually.

Sadly, the hearts of the people are hard and full of superstitions and fear. But little by little it is being broken down. The ladies of the church are beginning to do visitation on their own!

We are making homemade soap with olive oil, coconut oil and cacao butter. We are trying to coordinate with a very humble church in the Amazon River area to make essential oil for us for the soaps. One of our youth said soap making is better than baking because it lasts a lot longer. Even the people here like to buy the soap. Our problem is getting the coconut oil. It is too expensive to buy and we are not able to make any more at the university.

This year, 2015, will have blessings and sadness waiting for us all. That's why I am glad my hope is in The Lord, and my song is One Day At a Time.

Please pray for us:

- 1) For a coconut oil machine—\$650
- 2) Bunk beds for groups—\$150 each including mattresses (we need several)
- 3) That our soap ministry is able to bless lots of homes here in Peru.
- 4) But most important is that God is glorified!
