## GUILLERMO (BILL) & BEATRIZ LIPMAN

### GREETINGS FROM PIMENTEL

We want to thank all of you for your prayers and support. Without you our ministry could not exist.

We are blessed to have Addeli helping us here in the ministry. He is from the jungle region and will be here with us for a while. We have seen an increase in our Bible club with the kids here.

We have been blessed with bunk beds. Why do we need bunk beds? Many of the local churches and even Christian schools look to us for a place to hold retreats but since we had only floor space it has been interesting and hard for them to find places to sleep. Bunk beds will solve that problem, and more lives can be changed through the retreats.

We still need some more and are trusting the Lord to provide. We charge a small fee, or ask for a love offering, to use our facilities, and with the bunk beds we will be able to charge a little more. We are still the cheapest place around and we offer very nice facilities in a great location.

### SUGAR PRICES ARE NOT SWEET!

The major sugar plantations are on strike and it is driving the price for sugar up. It has now been two months and the rumors are that the price will at least double. We have bought 400 pounds of sugar which should last several months. We are thankful that we were able to do that.

### SPECIAL PRAYER REQUEST

A thirteen-year-old girl in our breakfast program has very low iron. The doctor prescribed banana milk shakes, so we have been making them and adding apples and papaya. Today we added blueberries. We also made liver and onion with garlic and tomatoes cooked in olive oil for her. Her family is very poor and unable to provide these special foods.

We are open to suggestions on how to help her with low iron. We are limited here in Peru, but want to do what we can. Someone down here told us the blood of a black bull is good. We'll stick with banana shakes! Please pray for Suzanna, for her family, and for us as we are Christ's representatives in Pimentel.
