### GREETINGS FROM PIMENTEL

I am back in Peru after several weeks in the States. I've hardly had time to breathe, so things sure aren't boring around here! When I arrived in the States, my son Aaron came to the airport with his cousin to pick me up. They took me to Golden Corral, an all-you-can-stuff-yourself-with place! I haven't had that for a while.

Several years ago we had a young man from Canada stay with us in Peru. We met him through Teen Missions. He sent me a plane ticket to visit him in Canada. I got to see Niagra Falls for the first time and even watched a hockey game. It was a great visit with James and his wife.

I was also blessed to be able to share the ministry of Changed By Love with many churches that have never heard of us before. Our prayer is that more people will join with us in both prayer and financial support. Costs keep increasing here, but we want to be able to keep feeding the children. The Breakfast Program helps us to be accepted in homes where we can share the love of Jesus and see people come to accept Christ as their Savior.

### WATER!

One of our great challenges in this part of Peru is to have water that is safe to drink and use for cooking, and to have enough of it. For the past few years we have been receiving donations to have a well dug. The final amount has now been promised and we will be digging our well this month!

We still need everyone to be in prayer that the well drillers will find the right spot and that the water will be good.

### SO WHAT CAN YOU DO?

Jesus was very clear when He said, "Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal: But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal: For where your treasure is, there will your heart be also." Matthew 6: 19-21.

- 1) Pray for a successful well dig.
- 2) Pray for the hearts of parents that more will come to know Jesus.
- 3) Pray for the children that they will have enough nutritious food for their health.
- 4) Pray for our church in Pimentel that it will be a light shining in darkness.
- 5) Give as God lays it on your heart to help meet the financial needs of Changed By Love.
